1500 COMBO BRAAI. MILD STEEL/3CR12, PAINTED BLACK, C/W NO 1 GAS GRILL & MILD STEEL UNDER BRAAI DOORS, PAINTED BLACK

2026 EDITION

NEW IMPROVED DOOR HANDLE

Our Combo Braais are perfect for families or businesses who want the ability to cook on either wood/charcoal or gas.

With our Combo Braais, you can enjoy the quick and easy cooking experience of gas, allowing you to fire up the grill and start cooking within minutes. Ideal for those with busy lifestyles who don't always have time to wait for a wood/charcoal braai to heat up.

When you have the time to make a fire, the charcoal/wood burning section is perfect for creating that authentic braai taste.

If you are catering for a large party then you can make use of both sides.

Available in 1200mm & 1500mm versions.
