

PORTABLE BRAAIS

TROLLEY GAS BRAAIS

Our Trolley Braais use our robust Counter Top Gas Grills, complete with ovens, and are mounted on a sturdy trolley. Our Trolley Braais are supplied with a loose lid that covers the braai when not in use, and moves from the top of the grill to a rear mounting bracket to act as a wind break when in use. A 9kg gas bottle attaches to the trolley, making the unit easily moveable.

OPTIONS

- PVC cover for where unit is left in the rain
- Roasting Dome
- Spit Skewer & Basket options
- Braai Plate
