A NEW GENERATION IN BRAAIS

INFINITI 1200 TABLE BRAAI IN BRICK CHIMNEY

Our charcoal/wood Table Braais are designed to be easy to use, with exceptional features and style.

These braais can be:

- Inserted into an existing brick chimney to provide an easy to use and stylish braai
- Placed on top of a non-combustible flat surface
- With the addition of a set of legs, become easily mobile.

These braais are available manufactured in Mild Steel, 3Cr12, 304 and 316 Stainless Steel to meet client requirements in terms of longevity and appearance of the braai.

- Our Standard Braai comes with an Ember Tray, Stainless Steel Grid, Stainless Steel Meat and Ash Trays and a Poker.
- An optional 304 or 316 Stainless Steel waterproof cover can be supplied, that will provide a sturdy work surface in front of the braai and when closed will waterproof the braai and minimise any ash blowing around.
