

FREESTANDING

LEG UNIT

10 & 13 KW SINGLE SIDED

A NEW GENERATION IN HEATING

INFINITI 13 KW STAINLESS STEEL LEG UNIT

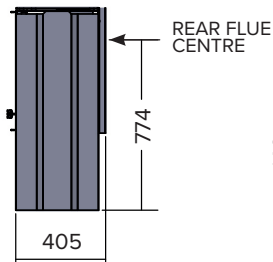

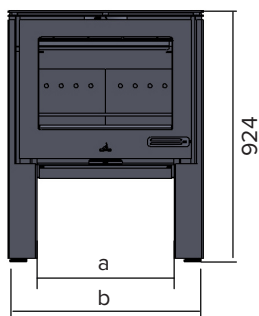

INFINITI 10 KW BLACK LEG UNIT

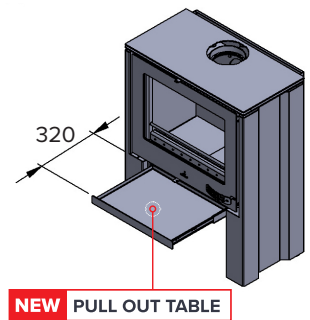

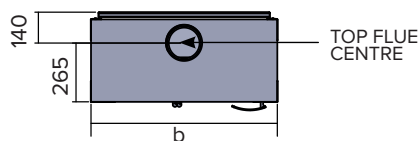

Our 10 & 13 Kw Wood Stoves are offered in a choice of black or stainless steel legs. The convection chambers between these legs and the hot firebox, as well as the ventilated top plate enhance circulation of hot air. These also decrease the temperature of the steel side walls for a safer touch by hands.

HEATING CAPACITY

10 Kw ▶ 400 m³ | **13 Kw** ▶ 520 m³

	a	b
10 Kw	510	726
13 Kw	628	849
